

CAMPBELL HARRIS

SCIENCE A-LEVEL TUITION/EXAMS For External Candidates

CHEMISTRY

Practical endorsements for new specification Science A-level qualifications are optional – however, it is worth noting that universities will not accept students without endorsements onto science-based courses.

A full Chemistry A-level consists of three written units and 12 practical assessments. Candidates registering for a Practical Endorsement Course with Campbell Harris will be required to sit all additional components for that qualification with Campbell Harris.

Practical Endorsement Courses will take 10-12 weeks to complete. During this time candidates will be required to attend the college for a three-hour regularly timetabled session each week.

AUTUMN TERM: September-December (dates TBC)

SPRING TERM: January-March (dates TBC)

EASTER INTENSIVE: 3rd-6th April or 10th-13th April

Option	Tuition	Written Exams	Practical Assessments	Total
AS Exams	-	£175	-	£175
A-Level Exams	-	£350	£1000	£1350
AS Evening Tuition + Exams	£600	£175	-	£775
