

CAMPBELL HARRIS

SCIENCE A-LEVEL EXAMS For External Candidates

PHYSICS

Practical endorsements for new specification Science A-level qualifications are optional – however, it is worth noting that universities will not accept students without endorsements onto science-based courses.

A full Physics A-level consists of three written units and 12 practical assessments. Candidates registering for a Practical Endorsement Course with Campbell Harris will be required to sit all additional components for that qualification with Campbell Harris.

Practical Endorsement Courses will take 10-12 weeks to complete. During this time candidates will be required to attend the college for a three-hour regularly timetabled session each week.

Option	Written Exams	Practical Assessments	Total
AS Exams	£175	-	£175
A-Level Exams	£350	£1000	£1350

****CAMPBELL HARRIS PRACTICAL ENDORSEMENT COURSES WILL COVER ONLY AQA SPECIFICATIONS****

External students sitting multiple Science A-levels are strongly advised to choose the same examining board for all Science qualifications.
