

CAMPBELL HARRIS

SCIENCE A-LEVEL EXAMS For External Candidates

PHYSICS

Practical endorsements for new specification Science A-level qualifications are optional – however, it is worth noting that universities will not accept students without endorsements onto science-based courses.

A full Physics A-level consists of three written units and 12 practical assessments. Candidates registering for a Practical Endorsement Course with Campbell Harris will be required to sit all additional components for that qualification with Campbell Harris.

Practical Endorsement Courses will take up to 40 hours to complete during the Easter break (27th March – 13th April).

Option	Written Exams	Practical Assessments	Total
AS Exams	£175	-	£175
A-Level Exams	£350	£1000	£1350

****CAMPBELL HARRIS PRACTICAL ENDORSEMENT COURSES WILL COVER ONLY AQA SPECIFICATIONS****

External students sitting multiple Science A-levels are strongly advised to choose the same examining board for all Science qualifications.
